AMENDMENT UNDER 37 C.F.R. § 1.312(a)
AFTER ALLOWANCE

Sir:

Although the above-identified application has been allowed, applicants respectfully request that the application be amended pursuant to 37 C.F.R. § 1.312(a) as indicated below.

It has come to the Applicant's attention that one of the inventor's names was misspelled on the Filing Receipt. Consequently, the Issue Fee transmittal and the PTO records reflect the wrong spelling of this name. Please change this inventor's name from "Erik P. Straats" to "Eric P. Staats." The letter "r" should not be present in his last name.

REMARKS

The foregoing amendment should be entered as it does not raise any substantive patent issues. This amendment only corrects the spelling of an inventor's name so it will be printed correctly on the cover page of the issued patent.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN
